equipment, and uniforms.

- Be polite. Be polite to clients, vendors, and other team members.
- Be honest. Honesty is very respectful to everyone involved. Sharing honest bad news is better than hiding the truth. Everyone makes mistakes and at times may not understand instructions or an explanation. Be honest so progress can be made.
- Be on time. Part of being polite and respectful is being on time; your team members are counting on you.
- Own your actions. Be accountable by realizing that mistakes and failing is part of learning and progressing. We trust you are working in the most honest and sincere manner and understand we all make mistakes.
- Do your job. Follow through and complete your job responsibilities; your team members and our customers are counting on you.
- Give and take. Flexibility is a two-way street. As a family business, we understand people need flexibility and we need our team members to show up strong when they are needed at work.
- Do what you say you're going to do when you say you're going to do it. The company, your team members, customers, vendors, and your family are counting on you to be a person they can trust and count on

American Landscape and Lawn Science provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, sex, national origin, age, disability or genetics. In addition to federal law requirements, American Landscape and Lawn Science complies with applicable state and local laws governing nondiscrimination in employment in every location in which the company has facilities. This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation and training.
